With reference to your No.L.2153-4, dated 17th Sept. 1926, forwarding for early action, copy of letter No.L. 2152/L.B. 64-26-2, dated 17th September 1926 addressed to the ^e Snior Surgeon with the Government of Mysore, in the matter of opening of a Combined Unani and Ayurvedic Dispensary at Hassan, I have the honor to state that the subject was placed before the District Board, at their meeting held on 13th and 14th Novr. 26, and after discussion they pleaded their inability to finance the institution in view of their large commitments, but to request that the treatment accorded to Shimoga may be kindly and equitably extended to this town also, which it may be remarked has not received any kind of grant from Government, at least for more than a decade.

The want of a Combined Unani and Ayurvedic Dispensary is keenly felt by the people of this Hassan Town for a long time.

As the Vydyasalas now under the District Board have been proposed to be converted into new type of L.F.Dis-

Dispensaries and as the Board have got series of commitments in future they are not in a position to contribute for this combined Unani & Ayurvedic Dispensary.

Under these circumstances, I request that you will be so good as to kindly move the Government to show ~~the similar~~ ^{at similar to those} concession and treatment shown to Shimoga Town, since Hassan also is an equally important Malnad District ~~as~~ ^{as} ~~and~~ ^{and} Shimoga ⁱⁿ

A copy of the resolution of the Board is enclosed.

I have the honor to be,
Sir,
Your most obedient servant,

President,
District Board, Hassan.

Sir,

hu With reference to your letter No. 912L-Med. 20-25-2, dated 6th August 1925, I have the honor to forward herewith a copy of letter No. 516-25, dated 6th March 1926, from the Deputy Commissioner, Hassan District, renewing his application for the opening of a combined Yunani & Ayurvedic Dispensary at Hassan on the scale of initial and recurring expenditure fixed for the institution at Shimoga in G.O. No. 12-15-Med. 47-24, dated 11th October 1924, and to state that the proposal deserves sanction in as much as Hassan is also a Malnad District like Shimoga and the people there seem to appreciate the indigenous systems of treatment.

I request that the opening of the institution with effect from the 1st July 1926, may kindly be sanctioned, and necessary provision ordered to be made therefor in the next year's budget.

I may add that, subject to approval, necessary provision for opening combined Ayurvedic and Yunani Dispensaries at Hassan and Chickmagalur has been suggested under "new items" in the draft Budget estimate submitted to Government with my letter No. *Pl 327/3* dated 2-3-1926.

Your most obedient servant,

Letter No. 516-25 /Pet dated the 6th March 1926, from the Deputy Commissioner, Hassan District, to the Senior Surgeon in Mysore, Bangalore.

Adverting to your Memo No. Dis.B.121 dated the 14th August 1925 addressed to the President of the Hassan Town Municipal Council, forwarding a copy of the Local and Legislative Secretary's letter No. L.912/Med.20-25-2 dated the 10th August 1925, asking to renew the application for opening a combined Ayurvedic and Unani Dispensary at Hassan later during the current year, so that necessary provision might be made for it in the Budget Estimates for 1926-27, I have the honour to state that an institution of the kind in question is desirable in Hassan and is keenly felt.

2. It is learnt that a similar institution has been established at Shimoga out of the Malnad Improvement Funds. I request that you will be so good as to move the Government in the matter and obtain their sanction to the opening of a Dispensary of the kind at Hassan also, as already proposed by the Hassan Town Municipal Council.

3. I have requested the President of the District Board, Hassan, to ascertain if the District Board are agreeable to pay their quota of contribution towards the cost of maintenance of the institution, and also to make due provision for this in the next year's Budget of Malnad Improvement Funds, in case the Government decline to meet the cost of the Dispensary wholly from the general revenues. On receipt of his reply, I shall send you a further communication on the subject.

Sir,

With reference to your letter No. C. 500-26/L. S. G. dated 26-1-27 forwarding copy of letter No. C. 2187-7 dated the 13th January 1927 and its enclosure from the Senior Surgeon in Mysore for information and needful action, regarding the opening of a combined Unani and Ayurvedic Dispensary at Hassan, I have the honor to state that the subject having been discussed at the meeting of the Municipal Council on 30-4-1927, it was resolved that Government should be requested to reconsider their decision and grant the Institution out of Government cost just as they have been pleased to do in respect of Shimoga.

The establishment of a combined Ayurvedic and Unani Dispensary at Hassan has been a long standing necessity thereby giving scope - for the revival of our ancient system of Ayurvedic and Unani treatment. As have already been represented in this Office letters Nos. 1107 dated 28-5-1925 and 793 dated 10-1-1927, the representations of the Towns people really deserve sympathetic consideration at the hands of Government.

Under the above circumstances, I request that you will be so good as to obtain early sanction of Government through the Senior Surgeon to the resolution of the Municipal Council in the matter.
